Sections [illegible] 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33 In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their prospective entries or the commencement of residence in the case of squatters before survey.

34 To give due consideration being given to the rights of persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, but shall issue no certificate of entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or the morning of the following day.

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming prior right of entry for the said quarter, and it is evident from the records that such person, by reason of the priority of day of his application for entry for the quarter-section in question, has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such time as the Sub-Agent's or representative's report has been received.

Provided further that on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry may, by letter to the Agent, appoint a person to act for him, and the Agent may hold the land for such settler for a reasonable length of time, reporting immediately to the Board the circumstances of the case for the Board's decision.

Provided further that if the Agent has doubt as to the qualifications of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35 Any [illegible] land, patented, leased or [illegible] to homestead, which has not been entered for by an adjoining settler on the first day on which such land [illegible] of the provisions of the regulations above mentioned, [illegible] entry on the following day to any settler [illegible]

OTTAWA -

MEMORANDUM:

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re: A. J. C. Daniel,
N.W.¼ 27-23-5 W.4th M. (S.S.)

The above-described land is the unpatented soldier grant of this settler.

Subsequent to the initial loan approved in his favour on the 9th May, 1919, the settler secured advances from the Board totalling $3131.75, as follows: removal of encumbrances, $900.00; stock and equipment, $1499.80; permanent improvements, $731.95. As security the Board holds a charge on the settler's soldier grant. The only other land security held by the Board in this case is a mortgage on the S.W.¼ 27-23-5 W.4th M.

The Board is informed that the settler has completed the duties in connection with his soldier grant, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Secretary of the Department of the Interior to the settler dated the 31st July, 1924.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1321, enable the Minister, on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the N.W.¼ 27-23-5 W.4th M. be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his soldier grant, which was formerly his pre-emption entry.

A Vesting Order for signature is attached hereto.

The Deputy Minister,
Department of the Interior,
O t t a w a.

Chairman.

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the morning of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is shown from the records that such person by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received:

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting concisely all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry for the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Re: Account of David Hopkins,
N.E. 31-24-1-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 seed grain amounting to $175.00 was advanced to David Hopkins on the security of the above mentioned land. A payment of $9.60 was received in 1923, and applied to the interest. The present standing of this account is:-

Principal	Interest	Total
$ 175.00	$ 394.85	$ 569.85

The N.E. 31-24-1-W.4th was formerly the pre-emption of the debtor whose entry was cancelled on the 11th of April, 1924, and the land is still Crown land held in the right of the Province.

In reply to our questionnaire of the 1st of August, 1952, V.A. Wood, Director of Lands and Forests, Province of Alberta, wrote as follows:-

"In reply to your letter of the 1st instant, I would advise that the above described land is located outside of the Homestead lease area, and it is not likely to be used again for farming purposes.

An application for a long Term Grazing Lease which includes the above quarter section, has been received from Arthur John Westcott, of Acadia Valley, Alberta."

The information obtained indicates that the land is not suitable for farming purposes and no longer offers any security of value for the advance. Under the circumstances it is recommended that the indebtedness be cancelled.

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment.

Dear Sir:-

I write to ask your kind services re issue of a patent to my section 24 Township 5 Range 13 West of the fourth Meridian, Province of Alberta.

I acquired this section through Messrs Osler Hammond and Nanton of Winnipeg, some five years ago. They were acting for the Alberta Irrigation and Railway Company, I believe, and some three years ago I sold the property, and my purchaser wishes to get the transfer, which I am unable to carry out until I get a patent from the Government.

I have heard from Winnipeg that in ordinary cases it might take some six months or more to do this, therefore I take the liberty of asking your kindness in expediting matters.

Thanking you in anticipation, I remain

Yours very truly,

MEMO. re:

Application has been made to the Department of Indian Affairs to have an Indian Reserve at Heart Lake confirmed by Order-in-Council. The attached plan shows the location of the reserve which is in townships 67 and 70, range 11, and township 70, range 10, west of the 4th meridian.

You may note also from the plan that the Indian Reserve is located approximately in the centre of a proposed forest reserve, which was examined in 1913 by Mr. S. N. Clark, and reserved with your approval.

I have referred to Mr. Clark the question of establishing an Indian Reserve at this point and await a copy of his report thereon, so that instructions may be given in connection.

Respectfully submitted,

DOMINION LANDS ADMINISTRATION

OTTAWA, August, 18..

Sir,-

Sec. 27 Tp. Rge. West Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1889, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Assistant Commissioner
of Dominion Lands.

Memorandum -

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re. Lewis J. Rose,
S.W.¼ 1-37-2-W. 4th M. (Med.)

The above-described land is the homestead of this settler.

Subsequent to the initial loan approved in his favour on the 23rd May, 1919, the settler secured advances from the Board totalling $3000.00, as follows: stock and equipment, $2293.90; permanent improvements, $703.10; removal of encumbrances, $3.00. As security the Board holds a charge on the settler's homestead. The only other land security held by the Board in this case is charge on the settler's soldier grant, the N.W.¼ 35-9-9-W.3th Meridian.

The Board is informed that the settler has completed the duties in connection with his homestead and would be entitled to receive patent but for the charge of the Board. This is confirmed by the letter from the Acting Commissioner of Dominion Lands to the settler dated the 11th December, 1928.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1021, enable the Minister, on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been paid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan as has obtained from the Board.

The settler has requested that title to the land in question be issued to the Board. There is nothing on file to show that he contemplates disposing of his farm. However, the settler desires to have title issued to the Board in order that it may be dealt with as necessity for advances [illegible]

Sir,-

S.E. ¼ Sec. 13 Tp. 9 Rge. 3 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Acting Commissioner
of Dominion Lands.

Sir,-

¼ NW Sec. 35 Tp. 77 Rge. 21 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Barney Buyniski, Esq.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the morning of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Sir,-

S.W. ¼ Sec. 16 Tp. 27 Rge. 7 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Edgar Andrew Webb, Esq.,

OTTAWA -

MEMORANDUM: Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re: William John Venus,
S.W.¼ 24-17-3 W.4th M. (Hsd.)

The above-described land is the unpatented homestead of this settler.

Subsequent to the initial loan approved in his favour on the 26th March, 1920, the settler secured advances from the Board totalling $1966.35, as follows: stock and equipment, $1569.05; permanent improvements, $397.30. As security the Board holds a charge on the settler's homestead. The only other land security held by the Board in this case is title to the N.W.¼ 24-17-3 W.4th M., the settler's former soldier grant.

The Board is informed that the settler has completed the duties in connection with his homestead, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Assistant Secretary, Department of the Interior, to the settler dated the 9th September, 1919.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1821, enable the Minister, on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the S.W.¼ 24-17-3 W.4th M. be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his homestead.

A Vesting Order for signature is attached hereto.

The Deputy Minister,
Department of the Interior,
O t t a w a.

Chairman.

S.W.¼ 24-17-3-W.4th Meridian

on which a charge has been imposed, constituted or created under the said Act, and the conditions for the issue of patent for the said land have been fulfilled but for the charge imposed against it as aforesaid;

AND WHEREAS, pursuant to an application made by the said WILLIAM JOHN VENUS who is residing on the said land, the Soldier Settlement Board has requested the Minister to transfer the said land to the Board to be dealt with by it in accordance with the regulations approved by the Governor in Council on the 4th day of June, 1921, P.C. 1221.

WITNESSETH that the undersigned, pursuant to the powers and authorities conferred upon him by the said regulations approved by the Governor in Council on the 4th day of June, 1921, P C. 1221, declares the right, title and interest of His Majesty in the said land except mines and minerals, whether solid, liquid or gaseous, to be vested in the Soldier Settlement Board of Canada.

Sir,-

N.W. ¼ of Sec. 19 Tp. 25 Rge. 11 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

ORDER IN COUNCIL OF 7TH MARCH, 1918.

The time of employment to be counted as residence duties must be subsequent to the actual date of entry in each case. No settler claiming the benefit of the provisions of the Order in Council of the 28th February, 1917, and of these regulations, shall be given credit in connection with his entry, by reason of his having been engaged in farming operations during the years 1917 and 1918 for more than two terms of residence of six months each, and any settler who is allowed the maximum credit in connection with his entry shall be required to show, before his residence duties shall be deemed complete, that he has performed six months actual residence either on the said land by him, under entry, or in the vicinity thereof in accordance with the provisions of the Dominion Lands Act, and regulations thereunder.

The provisions of this Order shall not apply to unperfected proxy entries, nor to any case in which the entrant is engaged in any other employment than actual farm labour.

Within thirty days after the term of employment has expired and in any case, not later than the 1st of February, 1919, the entrant shall file with the local agent for the district sworn evidence satisfactory to the Minister of the Interior, of the time actually spent on farm work.

In the event of the cancellation of any entry for default in the performance of the conditions thereof, nothing in this Order shall be held to confer any right or claim upon the former holder of any such entry who, being engaged in farm labour in Canada as aforesaid, has failed, prior to the date of cancellation, to notify the Agent of Dominion Lands for the district of the fact of his being so engaged.

The entry of any person complying with the foregoing provisions shall not, during the period of his employment on farm labour, be liable to cancellation by reason of his failure to perform the cultivation required in connection with his entry.

Notwithstanding anything to the contrary in the Dominion Lands Act or any amendments thereto, the cultivation required to earn a patent where the entrant obtains the benefit of this regulation may be performed in two years instead of three. Settlers claiming the benefit of the similar provisions with respect to cultivation under the Order in Council of the 28th February, 1917, referred to shall not be entitled to further reduction of the cultivation requirements in connection with their entries by reason of the provisions of this paragraph.

In any case in which the Minister of the Interior is not satisfied as to the *bona fides* of the case, he is authorised to withhold the benefits provided for by the foregoing.

RE: N.W.¼ 34-60-19-W4th(S.G.)
George A. Spiess

Subsequent to the initial loan approved in favour of the above named settler on the 25th of August, 1919, he secured advances, totalling $2260.56, as follows:

Improvements, Stock & Equipment....	$ 1884.08
Special Advances.....	376.48
	£ 660.56

The charge created against the land is an effective one under Section 26 of the Soldier Settlement Act as $660.56 of the advances was made subsequent to date of entry. The only other land security in this case is the S.W.¼ 10-60-19-W4th, title to which is vested in the Director of Soldier Settlement.

Your Department reports that Mr. Spiess has completed the settlement duties for the earning of patent; therefore, in order that he may be in a position to negotiate a sale of the land, Mr. Spiess has requested that title to the land be issued in the name of the Director of Soldier Settlement. Mr. Spiess is in residence on the land, but he has a prospective purchaser in view for the purchase of the soldier grant, and he is, therefore, anxious to obtain title to the land at an early date.

Pursuant to the provisions of the regulations established by Order-in-Council of the 4th June, 1921, P. C. 1821; and in view of the powers vested in the undersigned under the amendment of 1931 to the Soldier Settlement Act, it is requested that the right, title and interest of His Majesty in the said N.W.¼ 34-60-19-W4th be vested in the Director of Soldier Settlement of Canada.

Sir,-

N.E. ¼ Sec. 9 Tp. 65 Rge. 19 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Bill Kammchik, Esq.,

SENT

Sir,-

N.E. ¼ Sec. 3 Tp. 24 Rge. 7 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

John Pitruck, Esq.,
Rearville,

Crime Report.

re.

[redacted]----------INDECENT ASSAULT.

Complaint having been laid before Justice of the Peace R. O'Achern of Beaver Post Office by E.L. Anderson of Beaver Alta. that the said George Beaver had committed and indecent assault on his daughter May Anderson. I left with with $.50 from St. Paul on the morning of the 6th, inst for Beaver Post. Office arriving there at 6 oclock that day. When ready to serve summonses on defendant I found that the said George Beaver) had skipped out of the country and had been gone for a week and a half before my arrival, this owing to the people delaying in their coming to St. Paul to give me the papers to serve on him.

While making an investigation of the case I learned that there seems to be quite a lot of family troubles. However since the defendant was not there, I was unable to get a statement from him and I believe that it will sometime before the man returns to the country if he does return at all. His reasons particularly for leaving the country was that last October 1917. he had appeared before Judge Teal of Edmonton on a similar case and was dismissed. On my return to the detachment I learned that his wife Mrs. Beaver had received a post card from him from Winnipeg, which direction was apparently taken when he left the country with the intention of going through the states.

Here is a statement of Miss May Anderson given to me on the 6th inst,-----

May Anderson states as follows-- that on or about the 11th of December 1917. while I was taking care of my three little brothers and sisters at my Uncle's place (Mr. Beaver) Mother was very sick Hope and my aunt Mrs. Beaver was taking care of my other at our own place. Late Father. During the day of the 11th my Uncle (Mr. Beaver) kept on telling me dirty jokes all through the day and said to me that I should learn those dirty stories. I kept on telling him that I was too young to learn them. After the evening Mr. Beaver and I were playing cards together in his house, about 8 oclock in the night he started to put his hands on me everywhere he could. I pushed him off and told him to leave me alone. About 9 oclock that evening I went to bed, during the night I woke up and found Mr. Beaver lying with me. I told him to get out of the room. I began to tell him something but at the same time was afraid to tell him. So finally he left the bed and went over to his own bed. I told him to me that I would be sorry for that letting me tell me something. The next morning I managed to get the breakfast ready for the children. Then I left for school. During that time Mr. Beaver) stood by the door and asked me if I had told him, I told him it was none of his business. I answered saying I need not tell him that I was not passionate for me and found out by getting his hands over on me during the night while he was in bed. In the room I was asleep. During the 11th day of December he kept on saying all day what he had done to me while in bed with me when I was sleeping.

May Anderson

After the investigation I left Beaver P.O. on the morning of the 7th, inst for Saddle Lake to attend court re. Albert [redacted] "Indecent Assault".

I caused interest on the investigation--- $2.80 as follows.

Yours very truly,

Re: Hezekiah Carothers

Dominion Advances

Dear Sir:

In 1916 the above party obtained a federal relief advance in the amount of Sixty dollars ($60.00) giving as security a lien on the title to the above land. No payment has been made and including interest to March 31st,1952, there is a balance outstanding of One hundred and thirty dollars ($130.00).

The debtor's solicitor has approached this office for a compromised settlement and offers the sum of Forty dollars ($40.00) for a release of the lien.

In support of the offer the solicitor advises that the debtor is 65 years of age and is in a poor state of health. He has found it necessary to terminate his farming operations and has gone to Goldfields, Saskatchewan where he hopes to be able to find some odd jobs which he is capable of doing.

The land is assessed for taxation purposes at One thousand three hundred and twenty dollars ($1,320.00). The solicitor advises that Mr. Carothers believes he can dispose of the property for Three thousand five hundred dollars ($3,500.00) but the solicitor feels that the debtor is over-estimating the value of his property. Tax arrears amounts to Five hundred and seventy dollars ($570.00) and as the land represents the only assets held by the debtor, it is evident that he requires assistance if he is to provide for himself.

In view of the foregoing it is my recommendation that the offer be accepted the balance being written off and the lien discharged.

The Honourable Charles Stewart,

MEMORANDUM:

Request for Transfer of Dominion Lands.

Re: A. E. Grinnell, No. 101446,
S.E.¼ 4-61-21-W.4th M. - Hsd.
N.E.¼ 33-60-21-W.4th M. - S.G.

The above named settler secured advances from the Board for permanent improvements and stock and equipment totalling $800, the Board taking a charge upon his unpatented homestead and soldier grant above described. Owing to such charge, patent to the homestead and soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Grinnell requesting that patent to his homestead and soldier grant should be issued in favour of the Board. Mr. Grinnell states that he has completed all duties in connection with his homestead and soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letters from the Secretary of the Department to the settler, dated the 22nd March, 1926.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921, (P.C.1821), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the S.E.¼ 4-61-21-W.4th M. and N.E.¼ 33-60-21-W.4th M. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

Chairman.

TO WHOM IT MAY CONCERN:

WHEREAS it is provided by the Regulations for the transfer of certain lands to the Board where settlement duties completed, approved by the Governor in Council on the 4th day of June, 1921, (P.C.1881), that in the event of a settler who holds any Dominion Land on which a charge has been imposed, constituted or created by or under the Soldier Settlement Act, 1919, or the former Act, having complied with the conditions of his entry to entitle him to receive Letters Patent for the land but for the charge imposed against it as aforesaid, the Minister, at the request of the Board, may transfer to the Board the land so held by the settler;

AND WHEREAS A. E. Grinnell is a settler within the meaning of the Soldier Settlement Act who holds the N.E.¼ 33-60-21-W.4th and S.E.¼ 4-61-21-W.4th M.;

AND WHEREAS The Soldier Settlement Board of Canada has requested the Minister to transfer the said land to the Board;

MEMORANDUM:

Re-Request for Transfer of Dominion Lands.

Re: G. M. Kydd, No. 437898.
N.E.¼ 16-65-23 W.4th Mer.-Red.

The above named settler secured advances from the Board, totalling $1412, the Board taking a charge upon his unpatented homestead above described. In addition the Board holds security on the S.E.¼ 16-65-23 W.4th Mer., his unpatented soldier grant. Owing to such charge, patent to the homestead cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Kydd requesting that patent to his homestead should be issued in favor of the Board. Mr. Kydd states that he has completed all duties in connection with his homestead and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler, dated the 26th of last December.

The Regulations approved by the Governor in Council on the 4th day of June, last, P.C.1021, enable the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the N.E.¼ 16-65-23 W.4th Meridian be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted.

Chairman.

MINISTER OF THE INTERIOR.

File #---1-O.

OTTAWA, 21st April, 19[illegible].

Memorandum -

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re. George N. Kyle,
N.E.¼ 10-[illegible]-W.4th M. (Med.)

The above-described land is the unpatented homestead of this settler.

The settler has obtained advances from the Board totalling $1413.50, as follows: stock and equipment, $748.50; permanent improvements, $507.00; special advances, $158.00. As security the Board holds a charge on the settler's homestead. The only other land security held by the Board in this case is a charge on the settler's soldier grant, the S.E.¼ 10-25-23-W.4th M.

The Board is informed that the settler has completed the duties in connection with his homestead and would be entitled to receive patent but for the charge held by the Board. This is confirmed by the letter from the Secretary of the Department of the Interior to the settler dated the 28th December, 1926.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1191, enable the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to his homestead be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Upon the completion of the requirements referred to, the Board hereby requests that the right, title and interest of the said Kyle in the N.E.¼ 10-[illegible]-W.4th M. be vested in the Soldiers Settlement Board.

A Vesting Order for the Minister's signature is attached hereto.

Chairman.

SIR MADAM:

Request for Transfer of Location Lands.

Re: David J. Brown, No. 134771,
N.W. 36-38-26 W. 4th Mer. - S.S.

The above named settler secured advances from the Board totalling $3711, the Board taking a charge upon his unpatented soldier grant above described. Owing to such charge, patent to the soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Brown requesting that patent to his soldier grant should be issued in favor of the Board. Mr. Brown states that he has completed all duties in connection with his soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the secretary of the Department to the settler, dated June 25, 1926.

In order to enable a settler to negotiate a sale of land in cases of this character, Special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921, P.C. 1131, which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the N.W.¼ 36-38-26 West 4th Meridian be vested in the Soldier Settlement Board. The necessary order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

Chairman.

Dear Sir:

Re: Title 69-V-119;
S.W.¼-7-47-6-W.4th;
Chester J. Green.

The above described land was recently transferred from John H. Green of Vermilion, Alberta, to his son Chester J. Green of same address. On receipt of Duplicate Certificate of Title it was found endorsed with a Lien No. 4876 B.O., 1:08 P.M. 20-Dec.16. Enquiry of the Land Titles Office, Edmonton, elicited the reply that the matter should be taken up with you.

Mr. John H. Green wishes to know for what the lien is for, as, so far as he is aware, there are no legal claims against him or against this property. He desires that you will complete a discharge of the said lien immediately.

A reply by return mail would be appreciated, as the son Mr. Chester J. Green wishes to have the clear title to said land.

Yours very truly,
David J Gibson

Dear Sir:-

Re: S.W.¼ of 7-47-6-W.4th,
Chester J. Green.

This will acknowledge receipt of your letter of the 29th ultimo advising that the above described land was recently transferred from John H. Green of Vermilion, Alberta, to his son, Chester J. Green, of the same address, and stating that Duplicate Certificate of Title to the above described land shows a lien No. 4876 B.O., dated 1.09 p.m., 28th of December, 1916.

Please be advised that a lien for $25.00 was given by John Henry Green in 1915 on the specific security of the S.W.¼ of 22-60-24-W.4th.

Under the Seed Grain Act of 1915, the lien registered against the S.W. of 22-60-24-W.4th becomes a charge against the lienee and any lands subsequently acquired by him. Consequently, when John H. Green acquired title to the S.W.¼ of 7-47-6-W.4th, the lien was registered against title thereof and, although title to the S.W.¼ of 7 has been transferred to the son of the original lienee, the lien in question is, therefore, a correct charge against this quarter.

On receipt here of the sum of $25.00, plus interest at the rate of 6% from the 1st of April, 1915 to date of payment, a discharge of this lien will immediately be forwarded to the Registrar at Edmonton, Alberta, with notification to you.

If remittance is made by Bank Draft, Money Order or Marked Cheque, it should be made payable to the Receiver General of Canada and forwarded in care of the undersigned.

Re: S.W. of 7-47-6-W.4th,
Chester J. Green.

This will acknowledge receipt of your letter of the 30th ultimo with reference to a lien for $75.00 given by John Henry Green in 1915 on the specific security of the S.W.¼ of 22-60-24-W.4th and advising that your client, Mr. John Henry Green of R.R.3, Vermilion, Alberta, declares that he is not the lienee in question and does not have and never has had any interest whatsoever in the S.W.¼ of 22-60-24-W.4th.

The information outlined in your letter has been noted. However, in order for this Department to authorize a release of the lien in question, it will be necessary for Mr. John Henry Green to sign a Statutory Declaration to the effect that he is not the lienee in question, etc.

For your convenience, enclosed herewith is a Statutory Declaration form, partially completed, which we would ask you to kindly have Mr. John Henry Green complete and sign and, when completed, return to this office, for our further action.

Re: S.W. 7-47-6 W. 4th Mer.

Enclosed you will please find a copy of our letter to the Registrar at Edmonton authorizing and requesting him to remove the Dominion Government lien for $25.00 from the above noted quarter section.

This lien was originally taken for an advance of seed grain in 1915 and the nature of these liens was such that it would be registered against any property subsequently acquired by the lienee. In order to assure that these liens are registered, the seed grain docket of 1915 is supplied to all Registrars showing the name of the lienee and the amounts charged against him. There are many unavoidable cases of wrongful registration due to similarity of names.

The case of John Henry Green is one of these and we regret that we are unable to consider your claim for reimbursement of his out-of-pocket expenses in clearing title to his property.

Re: S.E.4-7-47-5-W.4th;
Chester J. Green.

Dear Sir:

Your communication of 12th ultimo with enclosure was duly received, but it has been some time before Mr. John H. Green of R.R.3, Vermilion, Alta., could come to town to take the oath and complete the affidavit. Mr. Green is getting on in years

The completed affidavit is returned to you herewith, and Mr. Green wishes the prompt removal of the lien from the property he has transferred to his son Chester J. Green.

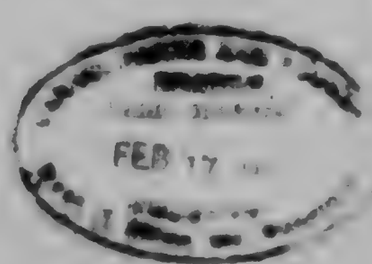

My client wishes me to draw to your attention that this lien has caused him considerable inconvienence and loss of time as well as expense, and should never have been entered against his title in the first place. He is faced with a bill arising entirely out of this wrongly filed lien in amount of $5.50, which is attached hereto. Mr. Green states that if you will kindly pay this bill, he will then forgive his loss of time and travelling expenses and will bare the inconvenience.

It was my client's wish to hand a duplicate certificate of title, free of all encumbrances, to his said son before the end of 1947. Through the lien illegally clouding his title he has been unable to do so. He therefore feels the least compensation he can accept is to be relieved of this bill, in which case he will drop all other considerations upon release of this charge against the property in question.

Your early attention to these matters is requested.

Yours very truly,

David J. Gibson

Dear Sir:

Re: S.W. 7-47-6 W. 4th Mer.
John Henry Green

We have been advised by David J. Gibson, Edmonton, Alta., that there is registered against the above noted quarter section a Federal Government lien in the amount of $25.00.

This lien was originally given by J.H. Green in 1915 on the specific security of the S.W. 22-16-24 W. 4th Mer. for an advance of seed grain. We have now sufficient evidence on our files to show that John Henry Green, against whom the original lien was taken is not the same John Henry Green, the present registered owner of the S.W. 7-47-6 W. 4th Mer.

You are, therefore, authorized and requested to have the registration of the said lien for $25.00 removed from the title to the S.W. 7-47-6 W. 4th Mer.

Re: Account of John Henry Green
S.E.¼ 20-62-7-W.5th &
S.W.¼ 22-60-24-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 relief amounting to $25.00 was advanced to John Henry Green on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$25.00	$51.25	$76.25

The S.E.¼ 20-62-7-W.5th was formerly the homestead entry of the debtor whose entry was later cancelled. The S.W. 22-60-24-W.4th was formerly the second homestead entry of the debtor which also became subject to the 1915 relief lien.

According to an Abstract of Title dated the 26th of January, 1956, the S.E.¼ 20-62-7-W.5th is still unpatented Crown land held in the right of the Province, subject to the 1915 lien.

In reply to our questionnaire of the 5th of October, 1951, the Secretary-Treasurer of the Municipal District of Westlock No. 92, advises us that the S.W.¼ 22-60-24-W.4th was now assessed in the name of a Mr. Ed Round of Clyde, Alberta, and that the land was only assessed for $470.00 and there was an accumulation of $73.84 arrears of taxes outstanding against the land.

The information obtained indicates that the land is such that it no longer offers any security of value for our lien. Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

MEMORANDUM:

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re: George H. Tomlinson,
S.W.¼ 28-55-2 W.5th M. (Hsd.)

The above-described land is the unpatented homestead of this settler.

Subsequent to the initial loan approved in his favour on the 26th June, 1919, the settler secured advances from the Board totalling $4960.00, as follows: land, $1960.00; stock and equipment, $1966.00; permanent improvements, $1034.00. As security the Board holds a charge on the settler's homestead. The only other land security held by the Board in this case is title to the N.E.¼ 20-55-2 W. 5th M., which the settler is purchasing from the Board under agreement for sale.

The Board is informed that the settler has completed the duties in connection with his homestead, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Commissioner of Dominion Lands to the settler dated the 27th January, 1931.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1821, enable the Minister, on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the S.W.¼ 28-55-2 W.5th M. be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Soldier Settlement Act, $[illegible].00 of the advances referred to in the second paragraph hereof made to the settler subsequent to the date of entry for his hom
